Welcome, and thanks for being an important part of the Great Art for Great Lakes (GAGL) project.

Please complete questions in Part 1 at the start of the workshop, and questions in Part 2 at the end of the workshop. Your responses to this questionnaire will inform the planning of future GAGL events and will contribute to valuable research in your area. Please make note of the following important information:

- Your responses are anonymous – please do not provide your name or contact information.
- All questions may be used for either research or GAGL planning purposes. If you wish to fill out this questionnaire for GAGL purposes but do NOT wish to participate in the Grand-Erie study, please write “NO RESEARCH” at the top of this page.
- Summary results of Elaine’s research (generating recommendations for water monitoring and management) will be publicly-available at [www.granderiestudy.ca](http://www.granderiestudy.ca); refer to her Information Letter for more details and contact information.
- All questions are optional. Choosing to respond to a question implies consent for the researchers to make use of your answer in their research (if you are under the age of 18, filling out this form is acknowledgement that you have received consent from a legal guardian to participate in both the workshop and the research).
